1. Love divine, Your healing presence Lifts us to the holy place,
2. Humble hearts accept Your blessing, Turn from sorrow, want, and sin.

Where we see Your whole creation Filled with light and crowned with grace.
Turn the page, rewrite that story, As the Christ is welcomed in.

We Your children know your glory, See Your power from above
Now we know our true relation, Perfect God and perfect child,

Sweep away the shade of darkness With the healing tide of love.
We can live in joy and freedom, Loved, and pure, and undefiled.
