Love Is Kind and Suffers Long

I Corinthians 13:4, 8, 13.

1. Love is kind and suffers long,
2. Prophecy will fade away,
3. Faith will vanish into sight;
4. Faith and hope and love we see

Love is meek and thinks no wrong,
Melt ing in the light of day;
Hope shall be filled in light;
Join ing hand in hand agree;

Love than death itself more strong;
Love will ever with us stay;
Love will ever shine more bright;
But the greatest of the three,

There fore give us love.
There fore give us love.
There fore give us love.
And the best, is love.

I Corinthians 13:4, 8, 13.
