O Jesus, Our Dear Master

1. O Jesus, our dear Master, Your works, now understood,
   Reveal their full fulgence Through love and brotherhood.

2. The Christ, eternal manhood, As God’s own Son beloved,
   Tender everpresence With-in each heart is proved.

3. O Science, God-sent message To tired humanity,
   Today Christ’s precious Science Your healing power makes plain:

WORDS: Margaret Glenn Matters, alt.
MUSIC: James R. Corbett

SWEET CONTROL
Alternate tune: 221

With joy may all obey you
And cast out sin and pain.
By man, who in Your Science
Is perfect, holy, blessed.
God’s idea, man, rejoices;
We know the reign of Soul.
